Payment

- We accept the following card types: Dankort, VISA, MasterCard, Discover, Diners Club, & JCB China UnionPay.
- We use [Nets](#) payment system.
- After placing your order, you will receive an order confirmation by email.
- After you have submitted your order and your card is billed, the order will be forwarded to the shop.
- If your order cannot be processed because of time constraints, lack of raw materials or any other reason, the amount will be returned to your card / account and you will be notified via email / phone call or both.

Security / Privacy

- We do not store any credit card information. This information is handled strictly by [Nets](#).
- Any other personal information like name, address, phone number, email address you provide to Bindia during your ordering process, will not be disclosed to any third party (except for Delivery orders, where we - in order to process the order - forward these details to our delivery partners at [Takeout](#)). All the customer information you have provided is accessible only to trusted employees.
- We have the right to use your provided contact details to contact you regarding your order, if needed. This also includes our option to send a follow-up email.
- If you choose to create a Customer Account, your registered name, address, phone number and e-mail address are stored in our database and will be used for your personal login.

Pick Up orders

- For Pick Up orders, it is your responsibility to pick up your order at the selected Bindia shop.

- It is also your responsibility to check the contents of your order before leaving the shop. In the same way, it is also your responsibility to check that the food is warm (except of course refrigerated items like Raita, Mango Lassi, etc.) before you leave the shop.
- Any complaints about missing items / wrong items / ruined items / cold food / etc. must be given before leaving the shop.
- Bindia cannot be held responsible for what happens with the contents of your order after leaving the shop.

Delivery orders

- For Delivery orders, it is your responsibility to provide the correct name, phone number, e-mail and physical delivery address, along with what is written on the doorbell (if not your own name).
- We use [Takeout](#) as our delivery partner, to perform the transportation of your order from the shop to the selected delivery address.
- The delivery time you chose for your order is an estimate and although we will do our best to deliver on time, the delivery time can differ +/- 20 minutes due to busyness, traffic etc.
- In case you provide incomplete / incorrect information, the driver will not be able to deliver the order, and it will be sent back to the Bindia shop from where it was made. We are not obliged to call and confirm the address. In case an order is sent back to the shop in this way, it can be picked up at this shop until the shop closes on the same evening. At this point, the contents of your order will be discarded. There are no options of refund.
- If you have any questions about the delivery (transportation), you can reach Takeout's customer service at (+45) 70 27 70 30.
- In case there is something wrong with a delivered order (missing items / wrong items / ruined items / cold food / etc.) it is important that you contact Bindia regarding this issue immediately (maximum 30 minutes) after receiving the delivery. Please use the phone number to the Bindia shop from where the order was made, as provided in your Order Confirmation. You are also welcome to call our main number: (+45) 30 25 88 38.
